

Paper ECO tape

Self-adhesive paper tape with natural rubber adhesive and resin based solvent, available also with synthetic rubber adhesion. Suitable for use on lighter packages.

Properties

- Eco-friendly, recyclable material
- High adhesive power, but smooth unwinding
- Leaves no adhesive marks on surfaces after removing
- Suitable for printing with water based colors

	Paper ECO tape
Total thickness	135my +/- 10%
Carrier thickness	60my +/- 10%
Adhesive application	75g/m ² +/- 10%
Adhesion power	2,5N/cm +/- 10%
Tensile strength	10%
Max. length	500mtr
Max. width	150mm
Colors	brown

Dimensions	Packing/articles
30mmx50m	40
38mmx50m	48
50mmx50m	36
